(Special ODONA rate until February 5, 2010)**

Vendor Exhibit Day is Monday, March 1st, 2010

The Registration Form is on the following page, and we hope you will give special attention to the final page as there are still some Sponsorship opportunities available. Sponsoring a portion of our convention gives both ODONA **and** your company a large boost - a **reduced booth fee** and **greatly increased exposure to DON's throughout the state** for you, and a huge help in putting on the convention for us! The generous support from all of you, our vendors, is the reason why the ODONA convention can continue to maintain and enhance the education and mentorship support for Directors' of Nursing in Ohio. We sincerely thank you for your interest in supporting ODONA and hope we will see you at our 2010 convention!

Please keep in mind that increased demand for booth space at the ODONA Convention has necessitated turning away some of our vendors due to space limitations, so we urge you to register soon.

We look forward to hearing from you, and hope that if you have any questions regarding the enclosed Booth Registration and Sponsorship forms you will contact the ODONA/LTC executive assistant listed on the registration form.
